

# Cisco Smart Design Bundles

## Customized Solutions for Commercial and SMBs

It's easier and more profitable to offer your small and medium businesses multiple technologies with a smart designed solution and dynamic discount program.

Three reasons why Smart Design Bundles are simpler and better for you, and better for your customer:

- 1 *Designed to increase margins and improve profitability while delivering a better solution to your customer*
- 2 *Designed to work better together: All Cisco solutions vs. mixed vendor solutions*
- 3 *Designed for faster and easier ordering: No DSA requirement*

Group 1+  
Group 2/3  
= \$\$

Choose the combination that works best for your customer  
Get additional discounts for selling multiple technologies.
